

## MOKU O KEAWE REGION INDOOR FACILITY CHECKLIST

### **Tournament Directors, the safety of your facility is your responsibility**

The Region, participants, and spectators expect that tournament sites and the playing area are of high quality. Playing surface and equipment (safety and condition), facilities (lighting, cleanliness, bathrooms, safety) and heating and cooling of playing area.

Adjacent courts may not share a common net post; each court must have its own complete set of equipment. Tournament sites having facilities and equipment considered to be unsafe will not be approved to receive a Moku O Keawe Region tournament sanction.

Minimum requirements for volleyball courts and equipment can be found in the **2021 - 2023 USA Volleyball Rules Book**.

### **INDOOR FACILITY CHECKLIST**

- All court should be regulation for appropriate division and format
- Each court is equipped with regulation ref stand, antenna, centerline, and 3-meter line
- All poles and ref stands are padded
- Ref stand should elevate the official's head approximately 18" above the height of the net and be clear of any obstacles
- All lines are solid – gaps are filled with floor tape
- Court lines must be 2" wide and contrast with the floor surface and any other floor lines
- Each court has a score desk with 3 chairs
- Two meters minimum behind the end line for the service zone
- Sufficient free space around each court
- Pursuit should be without endangering players, other participants, or spectators
- Second referee should be able to transition freely from one side of the net to the other, positioned outside the net post, without any obstacles
- The distance between two courts is a minimum of two meters

Tournament hosts, site directors, or facility managers may not establish local ground rules or modify USAV playing rules, particularly if those ground rules do not take into consideration the safety issues they may present. Referees will establish the ground rules for each court account to **USA Volleyball Rules Book**.
