Sanctioning Season

The Moku O Keawe (MOK) Region's sanctioned season begins on **September 1st, 2024**, and concludes on the day after the last day of the USA Junior National Volleyball Championships (GJNC/BJNC). Regardless of either event, the conclusion of the Boys and Girls Division sanctioned seasons will not extend past **July 31st, 2024**.

Dates:

Girls Jr. Nat'l Championships: 11 - 13 yrs. (June 21st – June 24th), 2024.

Girls Jr. Nat'l Championships: 14 - 17 yrs. (July 3rd – July 11th), 2024

Boys Jr. Nat'l Championships: 12 -18 yrs. (June 26th – June 29th), 2024

- Once a player has committed to a team during the MOK sanctioned season, club directors and coaches from other MOK clubs must respect the player's commitment and cease recruiting the player. If a recruiter contacts a player who has signed a commitment to another team, the player must notify the recruiter of the commitment. After notification, the recruiter shall not contact that player or the player's family.
- A recruiting violation occurs when a MOK registered club director and/or coach from one (1) MOK registered club makes initial verbal or written contact with an athlete, or the athlete's parents, from another MOK registered club with the intent to persuade the player to leave the present club and join another club.
- The suggested maximum penalty may include, but is not limited to, a monetary fine and/or a suspension of MOK membership for a period of one (1) year, beginning on the date of the final ruling.
- If a club director or coach is found guilty of committing a recruiting violation, the guilty party may make an appeal. The MOK Board of Directors will hear the appeal and will make a ruling. The decision of this BOD will be final.
- If a player or parent makes the initial contact, a club director or coach may answer questions and inform the player or parent about the club's specific program without fear of committing a recruiting violation. It is strongly recommended that all club directors and coaches refrain from making negative comments concerning other clubs or their staff.
- A player who has committed to a club and then wishes to transfer to another club must follow the MOK's Procedure for Player Transfer. This is irrespective of the length of a player's membership with that club.
